It is traditional to central Mexico, where it has been produced for millennia. ParqueNacionalTulumTulum. I use the term Modified Florescent in the sense used by Andrews. Note that the temple looks much steeper if viewed from slightly to the right - the white steps and bright light give the illusion of less depth, and because you can't properly perceive the depth at the top, it looks shorter. Three uses have generally been attributed to chacmools.

ThesidesofthepyramidareapproximatelyCommenting on the major impact chacmool sculpted figures had on his early career, Moore stated that "Its stillness and alertness, a sense of readiness - and the whole presence of it, and the legs coming down like columns" were characteristics that inspired his creations. The stratigraphic relationships of these floor levels indicate that the Chac Mool Temple and the Temple of Little Deer and the Chac-Mool Warriors both postdate the construction of the Castillo.
