I hope it is a place for you to start. Naturally, you don't have to prove you are NOT a petty thief, rather it is up to any accusers to prove that you ARE a thief. Inotedafewpointsthatweresimplyfalse. When they were insulted, they never insulted in return. The different signals in the neurons and brain tissues have to be converted to us to and God soul into a meaningful message and then we can understand what we see, hear, taste smell. Consider the study of history, specifically abrahamic history. Godwasnotsurprisedbyourappearance.In real life, people apply ToM to forces of nature, ancestor spirits and invisible gods.
