We got some time to process our ceremony and get excited for the party ahead. Just before the bride and groom drink from the wedding cup the maid of honor stands and announces that whomever finishes first without spilling a drop will rule the nest! We had a wonderful happy day with family – The Wedding Cup very important for us – friends.

The best part? We used their airstream outside to serve appetizers after the ceremony. It all was pretty awesome, but my favorite part was surprising our guests with our reception venue. Love these! The last time my family had all been together that year was for a funeral, to celebrate the life of my uncle.

There was a running joke in our family that my dad could stand up for any occasion. I feel like all the passion, the love, and romance have completely faded.
