If you're on a white moon cycle, then the full moon is a very satisfying time Full Moon Fuck get laid, yes, but remember that it is also the time you have the most likelihood of getting pregnant! More on that later. Leaveusacomment543210. This is a work of fiction. Another trick is to make full moon water, by placing a goblet of water under the light of the full moon on top of a letter of intention. BythenameofthebookIdon'thavetosaymuch.I connected more profound with nature and wanted to figure out if someone else would have had this idea. That they need to validate all of our hard work and our value as a person.
