Jobs in France Browse jobs Post a vacancy. The excitement that drives Anglophones to action, motivating us and driving us to look ahead is not nearly as present in France. This can be a very profitable business model: this data can be used to better treat people, it can be used to monitor patients, but it can also be sold to an insurer that will have intelligence on you and your medical risks, and could get a lot of money out of this information.

But have you ever heard a French person laugh like this in real life? And what will be failure? You do so by giving them opportunities and by training and retraining them again to get new jobs. My aim is to inform teachers, politicians and others who want to fix the nation
