Oh, poor twisted mind, if you haven't heard about the String Sorcerer, you are dead meat. Please enable JavaScript in your browser to use the site fully. Ritchie Black IommiFebruary 4th,

The lines between the public and the private have dramatically shifted in the 21st century. They describe a period characterized by three mutually reinforcing developments: powerful countries began to take human rights more seriously, powerful organizations and individuals took up the cause, much of the world came together to build international institutions to protect human rights. We had taken a first step in prevention. Community content is available under [Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International license](#) unless otherwise noted.
