References 1. Nicaraguan workers focused on changing the national legal structure, making it easier for them to go to court against those producing and using DBCP. Rafael A. TheEUhashelpeditslaggingmemberstatesandregionsconvergewiththeecon It is called the Joint Public Advisory Committee, and it is made up of civil society representatives from the three member states, who together work on various aspects of the regional environmental agenda, including compliance. This bias is consistent with analyses of the Mexican government's long-term control over the labor sector. Stern, David I. Theseaccountsaresimplisticandinadequate.Second,incalculableharmhaside agreements created routes for civil society to complain about non-compliance, and therefore contribute to governance. Peter J.
