In its seemingly solid form, matter also emits energy, as countless studies have shown. In this next illustration, we can see how point 21, in the center of the African continent, works with its above-right partner point 20 in providing a framework for the bow-shaped energy vortex that shaped the northeast coast of Africa.

Morphologically, however, the Domes were of varying sizes, capacities, and The planetary Ascension grid is a manifestation of the energy evolvment and patterned growth of the Universal Consciousness. Because of their heightened electromagnetic fields, the Dome enclosures were like immaculate, high consciousness meditation halls where human awareness could be healed, uplifted, even inter-dimensionally transported through the domed exit points in the Houses of the Gods, facilitated by megalithic engineering. If we wind up a clock, it then proceeds through its mechanism to tell time.

Many of the sites were rebuilt over ancient ruins of much older advanced cultures. Canis Major resonates within the Region of the Summer Stars Zodiac system, and when all effigies within this Zodiac Dome are harmonized, then the system as a whole can resonate properly and fulfill its intended geometric place in the Zodiac octaval choir.
